Overall Length:

47.500 inches

Overall Height:

4.500 inches

Overall Width:

3.000 inches

Lamp Base Type Accommodated:

Medium screw

Illumination Directing Device Type:

Internal reflector

Voltage Rating In Volts:

118.0 ac or 118.0 dc

Mounting Method:

Flush

Features Provided:

Switch

Lamp Type Accommodated And Quantity:

4 incandescent

Material:

Plastic illumination directing device

Surface Treatment:

Paint body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
