Hazardous Locations/environmental Protection:

Heat resistant

Overall Height:

1.750 inches

Effective Length:

0.172 inches

Mounting Device Quantity:

4

Mounting End Diameter:

Between 1.359 inches and 1.391 inches

Effective Width:

Between 2.109 inches and 2.125 inches

Mounting Method:

Unthreaded hole

Light Transmission Design:

Translucent lens

Color:

Yellow and amber lens

Material:

Plastic lens

Surface Condition:

Smooth back

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528d0
