Hazardous Locations/environmental Protection:

Gastight

Overall Height:

9.500 inches

Overall Diameter:

4.438 inches

Lamp Base Type Accommodated:

Medium screw

Illumination Directing Device Type:

Globe

Voltage Rating In Volts:

600.0 ac

Mounting Method:

Pipe

Lamp Type Accommodated And Quantity:

1 incandescent

Lamp Protection Device:

Grill

Material:

Glass illumination directing device

Shape:

Right angle

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
