Overall Length:

6.312 inches

Overall Height:

2.406 inches

Overall Width:

5.250 inches

Lamp Base Type Accommodated:

Miniature bipin

Wiring Provision Method:

Individual wire

Illumination Directing Device Type:

Internal reflector

Features Provided:

Switch

Lamp Type Accommodated And Quantity:

1 neon

Special Features:

Solderless lug pn 7-3189a; solderless lug pn 7-31899; solderless lug tab, 7

Material:

Aluminum illumination directing device

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
