Overall Height:

10.875 inches

Overall Diameter:

16.000 inches

Lamp Base Type Accommodated:

Medium screw

Illumination Directing Device Type:

Internal reflector

Lamp Type Accommodated And Quantity:

1 incandescent

Material:

Aluminum body

Surface Treatment:

Enamel porcelain illumination directing device

Shape:

Irregular

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
