Overall Length:

15.000 inches

Overall Height:

12.500 inches

Overall Diameter:

8.500 inches

Lamp Base Type Accommodated:

Single contact candelabra prefocus

Wiring Provision Method:

Cable assembly

Illumination Directing Device Type:

Curved light reflector

Light Beam Motion:

Fixed

Mounting Method:

Bracket

Lamp Type Accommodated And Quantity:

1 incandescent

Material:

Glass illumination directing device

Terminal Type And Quantity:

1 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
