Securing Device Type:

Screw

Accommodated Item Securing Device Type:

Thumbscrew

Installation Design:

Mast

Special Features:

Drawing in ebs pdmi, find no 5 - nsn 5305009881720 screw (3 required), find no 3 - nsn 5305-00-059-8428 thumbscrew (1 required)

Material:

Stainless steel

Surface Treatment:

Cadmium

Shape:

Triangular

Specification Data:

81349-mil-m-52007 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505u0
