Overall Length:
9.625 inches
Overall Diameter:
14.375 inches
Lamp Base Type Accommodated:
Medium screw
Illumination Directing Device Type:
Curved light reflector and louver
Special Features:
White body
Material:
Steel illumination directing device and aluminum illumination directing device
Surface Treatment:
Enamel body
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A06300
