Lamp Base Type Accommodated:

Medium screw

Wiring Provision Method:

Individual wire

Wiring Provision Length:

6.000 inches single provision

Voltage Rating In Volts:

250.0 ac and 250.0 dc

Mounting Method:

Screw

Lamp Type Accommodated And Quantity:

1 incandescent

Material:

Porcelain body

Surface Treatment:

Compound glaze body

Terminal Type And Quantity:

2 wire lead

Specification Or Standard:

V-42 type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
