End Application:

Malsr, fa-9987 sequenced flashing lights

Voltage Rating In Volts:

Between 120.0 ac and 240.0 ac

Special Features:

Designed for use under faa specification faa-e-2628a type iii for use on the reil system; function, sequenced flashing lights, type iii; reference data, unit 3, ti-6850.54, instruction book malsr, hv reil and reil flashing light systems, pg 8-38, adb-ahnaco inc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
