Hazardous Locations/environmental Protection:
Radio frequency radiation suppressive
Overall Length:
0.750 inches
Overall Width:
0.485 inches
Mounting Device Quantity:
1
Mounting Method:
Flange
Light Transmission Design:
Transparent filter
Color:
Yellow filter
Material:
Plastic lens
Surface Condition:
Smooth back
Style Designator:
Vertical split
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A528d0
