Overall Length:

24.000 inches

Overall Height:

3.750 inches

Overall Width:

24.000 inches

End Application:

Consolidated space operations center

Voltage Rating In Volts:

120.0 ac

Lamp Type Accommodated And Quantity:

1 fluorescent

Special Features:

Prewired with standard energy-saving or electronic ballast; contains 1 connector clamp and 1 power cord

Material:

Steel body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
