Hazardous Locations/environmental Protection:

Heat resistant

Lens Color:

White

Lens Transparency:

Translucent

Voltage Rating In Volts:

277.0 ac or 277.0 dc

Features Provided:

Dimming device

Special Features:

Energy efficient h.I.D. Fixture; comes standard w/hook-cord plus plug; utilized on both high heat and extreme low temperature environments

Shape:

Tapered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
