Overall Diameter:

11.000 inches

Voltage Rating In Volts:

120.0 ac

Special Features:

Heavy gage steel; white powder coated polyurethane finish; fluorescent, low profile; ballast included; pre-heat; wattage 13; diffuser cpa-clear prismatic acrylic; 1 each 13 watt lamp included

Material:

Steel body

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
