Overall Length:

3.260 inches

Overall Width:

3.260 inches

End Application:

H46 safety, reliability and maintainability (sr&m) program

Polarization Feature:

Not included

Special Features:

Item has hole in center 2.890 dia: three bolt holes: 5.0 volts dc

Color:

Green

Material:

Glass and plastic

Material:

Glass and plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T205-a
