Overall Length:
48.000 inches
Overall Height:
3.500 inches
Overall Width:
24.000 inches
Lamp Base Type Accommodated:
Medium bipin
Voltage Rating In Volts:
120.0 ac
Lamp Type Accommodated And Quantity:
2 fluorescent
Special Features:
F32t8 lamp; electronic ballast
Material:
Steel body
Steel body Surface Treatment:
•
Surface Treatment:
Surface Treatment: Enamel baked body
Surface Treatment: Enamel baked body Shape:
Surface Treatment: Enamel baked body Shape: Rectangular
