Overall Height:

9.150 inches

Lamp Base Type Accommodated:

Admedium screw

Lens Color:

Red, aviation and green, aviation

Wiring Provision Method:

Cable assembly

Lamp Type Accommodated And Quantity:

1 incandescent

Lens Type And Quantity:

1 cylindrical

Special Features:

Uses 120 watt lamp

Material:

Cres wire, 304, 0.120 inches diameter case

Material Specification:

Qq-s-763 federal specification single material response case

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
