Lamp Base Type Accommodated:

Medium screw

Wiring Provision Method:

Individual wire

Voltage Rating In Volts:

115.0 ac

Mounting Method:

Bracket

Lamp Type Accommodated And Quantity:

1 incandescent

Lens Type And Quantity:

1 stovepipe, elongated, external thread

Product Name:

Fixture, light

Special Features:

Comes with and accommodates 100 watt long life bulb

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
