Overall Length:

18.700 inches

Lamp Base Type Accommodated:

Miniature bipin

Lens Color:

White, translucent

Lens Transparency:

Transparent

Voltage Rating In Volts:

110.0 ac or 230.0 ac

Mounting Method:

Screw

Lamp Type Accommodated And Quantity:

1 fluorescent

Product Name:

Courtesy light

Special Features:

High radio interference suppression; quick start

Material:

Steel body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
