Overall Length:
18.700 inches
Lamp Base Type Accommodated:
Miniature bipin
Lens Color:
White, translucent
Lens Transparency:
Transparent
Voltage Rating In Volts:
110.0 ac or 230.0 ac
Mounting Method:
Screw
Lamp Type Accommodated And Quantity:
1 fluorescent
Product Name:
Courtesy light
Special Features:
High radio interference suppression; quick start
Material:
Steel body
Shape:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A06300
