Filter Color:

Gray

End Application:

Gage liquid I; los angeles class ss (688)

Voltage Rating In Volts:

120.0 ac

Lamp Type Accommodated And Quantity:

3 fluorescent

Special Features:

Variation of standard 303 series; high efficiency; low smoke cable; neals emergency ballast unit; back-up power capability

Material:

Aluminum alloy body

Shape:

Rectangular

Specification Data:

81349-mil-dtl-16377 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
