Overall Length:

48.000 inches

Overall Height:

2.625 inches

Overall Width:

8.500 inches

Lamp Base Type Accommodated:

Medium bipin

End Application:

4940-01-445-0086

Voltage Rating In Volts:

120.0 ac

Mounting Method:

Ceiling

Lamp Type Accommodated And Quantity:

2 fluorescent

Special Features:

Wraparound fixture; indoor use only; white high gloss finish; non-yellowing prismatic lens lifts and shifts for relamping; suggested 3v477, type f40t12 lamps not included

Material:

Steel body

Surface Treatment:

Enamel baked body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
