End Application:

Rals

Operating Function And Method:

Actuation lever

Product Name:

Photocell

Special Features:

Dome and base ultrasonically welded for max. Strength and impact resistance; translucent dome prolongs cell life by screening out ultra violet rays; cell-cadmium sulphide, 1/2 in. Dia.; turn on-1 to 5 fc, turn off-3 to 15 fc; 50/60 hz; 120v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07600
