Light Emitting Diode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6210-01-515-1289

Product Name:

Semiconductor led ultra yellow

Special Features:

Modelmf631 dome lens, one each water clear single chip, positive center contact polarity

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A110a0
