Hazardous Locations/environmental Protection:

Watertight

Lamp Base Type Accommodated:

Miniature bipin

Wiring Provision Method:

Cable

End Application:

Misc parts

Wiring Provision Length:

120.0 inches - single provision

Voltage Rating In Volts:

120.0 ac

Lamp Type Accommodated And Quantity:

1 fluorescent

Product Name:

Fixture, lighting

Material:

Aluminum body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
