Overall Length:

3.400 inches

Overall Height:

2.100 inches

Overall Width:

2.400 inches

End Application:

Hemp endurable power system

Voltage In Volts And Current Type:

12.0 ac/dc

Special Features:

30.5 mm, heavy duty, watertight and oiltight, standard operator, without lens, in voltage light , weight .2 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
