Lens Quantity:

1

End Application:

Panel, control

Mounting Method:

Panel

Features Provided:

Lamp protection device

Lamp Type Accommodated And Quantity:

1 light emitting diode

Product Name:

(navy)light, led, red

Special Features:

Color: red; supply voltage: 110-120vac; screw clamp terminal connection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A065a0
