**Lens Color:**

Green single light 1st position horizontal

**End Application:**

Ecd-02-cg47 controller

**Lamp Type Accommodated And Quantity:**

1 light emitting diode

**Product Name:**

Green pilot light

**Special Features:**

Provides green light display that pump a or b is operational; dc voltage is 24.0

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A065a0
