Electric Light Control - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6210-01-573-1651

Usage Design:
Indoor and outdoor
Product Name:
12v quad 6w ccfl programmable inverter module
Special Features:
Rated from -20 to 70 degrees c; input power: 30w
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A07600
