| End Application:  |
|---|
| Straddle lift, carrier  |
| Product Name:   |
| Led element, front, green   |
| Special Features:   |
| Screw terminals; operational voltage: 12-30v ac/dc; operational current: 8-15ma; power consumption 0.26w at 24v; front-fixing |
| Shelf Life:   |
| N/a   |
| Unit Of Measure:  |
|   |
| Demilitarization:   |
| No  |
| Fiig:   |
