**End Application:**

Fixture light

**Product Name:**

General lighting, led, single lamp

**Special Features:**

Chassis-die cast white enamel aluminum; finish-white enamel; fasteners-steel; weight-4lbs 3 ounce (standard mount versions) input voltage-115 volts; 60 hz; power consumption-8watts

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A06300
