End Application:

Fixture light

Product Name:

General lighting, led, single lamp

Special Features:

Chassis-die cast white enamel aluminum; finish-white enamel; fasteners-steel; weight-4lbs 3 ounce (standard mount versions) input voltage-115 volts; 60 hz; power consumption-8watts

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
