**End Application:**

Fixture light

**Product Name:**

General lighting, led, single lamp

**Special Features:**

Chassis-die cast white enamel aluminum;  finish-white enamel;  fasteners-steel;  weight-4lbs 3 ounce (standard mount versions)  input

voltage-115 volts;  60 hz;  power consumption-8watts

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A06300
