Thread Direction:

Right-hand

Thread Length:

0.188 inches

Overall Length:

0.6875 inches

Overall Diameter:

0.641 inches

Specific Use:

Indicator light

End Application:

Telephone ids

Mounting Method:

External thread

Thread Series:

Uns

Light Transmission Design:

Transparent lens

Thread Quantity:

27 per inch

Holder Surface Treatment:

Nickel

Thread Diameter:

0.5625 inches

Surface Condition Color:

Black back

Product Name:

Lens, light

Color:

Red lens

Surface Condition:

Smooth and symmetrical face

Style Designator:

Convex

Shelf Life:

N/a

Unit Of Measure:

--
