Width:

15.900 inches

Depth:

5.850 inches

Functioning Signal Method:

Dial indicator

Usage Design:

Indoor and outdoor

Inclosure Material:

Plastic

Voltage In Volts And Current Type:

120.0 ac

Product Name:

Uld 360 tree-mount dimmers

Special Features:

6 channels; output connectors: stage pin; power-in plugs: (2) nema 5-15; magnetic breakers: 2-15 amp; maximum watts per pack at 120v: 3600; illuminated magnetic breaders; over-temp/over-volt pack protection: (4) programmable output settings per channel: linear, non-dim, fluorescent, or fixed intensity; led display; built-in mounting bracket

Height:

4.100 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07600
