Hazardous Locations/environmental Protection:

Waterproof or dustproof

Light Beam Motion:

Fixed and flashing

Voltage Rating In Volts:

3.0 dc

Product Name:

Helmet mounted multi-function light

Special Features:

Four functions: steady green, steady green w/white flash, steady blue,

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
