Overall Length:

3.3 inches

Overall Height:

2.75 inches

Overall Width:

0.75 inches

End Application:

Light navigational

Mounting Method:

Bracket

Lamp Type Accommodated And Quantity:

1 light emitting diode

Product Name:

Filter/regulator

Special Features:

Visibili type 2 nautical miles

Material:

Plastic acrylic lens

Style Designator:

Full fixture post type

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A065a0
