End Application:

Drive unit, marine propulsiom

Product Name:

(inavy) light emitting diod

Special Features:

Description: single-led t 1 3/4 28v/14ma; contract control no.: n00024-12-f-22

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
