Overall Length:

12.260 inches

Overall Height:

4.700 inches

Overall Width:

6.060 inches

End Application:

F5a/b/e/x acft

Voltage Rating In Volts:

28.0 ac

Features Provided:

Retractable light

Product Name:

Light-landing and taxi, retractable

Material:

Stainless steel base

Material Specification:

Qq-p-416 federal specification single material response base

Shape:

Irregular

Furnished Items And Quantity:

1 lamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
