Hazardous Locations/environmental Protection:

Heat resistant

Overall Height:

0.938 inches

Mounting Device Quantity:

1

Overall Diameter:

Between 5.094 inches and 5.156 inches

Specific Use:

Surgical operating light

Mounting Method:

Press fit

Light Transmission Design:

Transparent lens

Color:

Blue lens

Material:

Glass lens

Surface Condition:

Smooth back

Style Designator:

Plano convex

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528d0
