Overall Length:

12.625 inches

Overall Height:

4.750 inches

Overall Width:

10.250 inches

Voltage Rating In Volts:

24.0 dc

Mounting Method:

Plate

Features Provided:

Retractable light

Special Features:

Lamp lights at partially extended pos; lamp 50 to 85 degrees angle adjustment range of extended pos; mtds by 15 evenly spaced 0.138 in.

Diameter holes on 4.625 in. Radius circle; retracting motor incl

Shape:

Rectangular

Terminal Type And Quantity:

1 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
