Overall Length:

3.812 inches

Overall Diameter:

8.375 inches

Lamp Base Type Accommodated:

Two screw terminals

Wiring Provision Method:

Individual wire

Wiring Provision Length:

14.250 inches single provision

Voltage Rating In Volts:

28.0 dc

Mounting Method:

Bracket

Features Provided:

Retractable light

Lamp Type Accommodated And Quantity:

1 incandescent

Material:

Aluminum body

Surface Treatment:

Paint body

Shape:

Tapered

Terminal Type And Quantity:

1 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
