Inside Diameter:

3.500 inches

Overall Height:

0.500 inches

Overall Width:

7.000 inches

Unthreaded Mounting Hole Diameter:

0.125 inches all mounting facilities

End Application:

Various

Distance From Retainer Center To Centerline Of Mounting Facility:

3.500 inches

Angle Between Adjacent Mounting Facilities In Deg:

120.0

Mounting Facility Type And Quantity:

3 unthreaded hole all mounting facilities

Material:

Any acceptable

Surface Treatment:

Zinc

Style Designator:

Footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
