Overall Length:

3.900 inches

Overall Width:

3.370 inches

Ac Voltage Rating:

5.0 volts

Overall Thickness:

0.220 inches

End Application:

An/asm603 dds test set

Special Features:

Lamps and associated wiring mtd on seperable lamp mtg panel, background color black illuminated in aviation red

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
