Overall Length:

7.370 inches

Overall Height:

2.060 inches

Overall Width:

2.370 inches

End Application:

Ea-6b

Mounting Method:

Bracket

Light Transmission Design:

Transparent lens

Material:

Glass safety lens

Material Specification:

Mil-c-7989b federal specification single material response lens

Style Designator:

Tear drop

Fsc Application Data:

Anticollision strobe

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528d0

Mil-std (military Standard):

Mil-c-7989 spec.
