Overall Height:

0.900 inches

Mounting Device Quantity:

1

Overall Diameter:

4.365 inches

Effective Diameter:

4.175 inches

End Application:

Truck, line haul tractor (m915 series)

Flange Width:

0.095 inches

Mounting Method:

Flange

Light Transmission Design:

Transparent lens

Color:

Clear lens

Material:

Plastic polycarbonate lens

Surface Condition:

Smooth backsmooth face

Style Designator:

Convex

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
