Overall Length:

1.875 inches

Wiring Provision Method:

Individual wire

Light Function:

Directional signal

End Application:

Aircraft model hh-60h

Wiring Provision Length:

6.000 inches all provisions

Mounting Method:

Post

Material:

Aluminum alloy body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A06300
