Overall Length:

5.000 inches

Overall Height:

1.375 inches

Overall Width:

2.125 inches

Mounting Device Quantity:

2

Mounting Method:

Screw

Light Transmission Design:

Transparent lens

Special Features:

Contains pm's patented vibar socket for extended bulb life

Color:

Red lens

Material:

Aluminum alloy holder

Surface Condition:

Smooth back

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528d0
