Hazardous Locations/environmental Protection:

Watertight

Overall Length:

0.625 inches

Effective Diameter:

0.625 inches

End Application:

Aircraft, eagle f-15

Mounting Method:

Screw

Light Transmission Design:

Transparent lens

Color:

Green lens

Material:

Copper alloy holder

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528d0
