End Application:

F-15s

Mounting Method:

Press fit

Light Transmission Design:

Translucent lens

Product Name:

Lens, switch actuator (split ground)

Special Features:

Inscription, 1st line, dwr; 2nd line, hydr; characters 0.125 in high

Color:

White inscription background

Material:

Plastic holder

Surface Condition:

Engraved face

Style Designator:

Horizontal split

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528d0
